Dear Parents,

Re. English Stream class structure for the 2018/2019 academic year

Following recent discussions with parents at the Foundation Phase setting regarding class structure for next year, I would like to notify you that we are currently planning the following structure for the English Stream classes for the 2018/19 academic year.

Year 1 and 2 – situated at the Foundation Phase site.

Year 3 and 4 – situated at the Junior site.

Year 5 and 6 – situated at the Junior site.

If no change is made via admissions , we anticipate the above classes will consist of 30 pupils or less.

May I thank the parents who I have met recently for their valuable contribution. Do not hesitate in coming to see me if you wish to discuss this matter further.

Yours sincerely,

Gary Anderson
